Evidence & expert testimony to prove your case.

Comprehensive Forensic, Scientific & Analytical Investigative Experts

All at One Location!

Today's Trial Lawyer is faced with a complex responsibility involving high-risk exposure, countermeasures, and unpredictable pre-trial events. To meet increased demands for a Forensic, Scientific and Analytical Investigative presence, Corporate Intelligence, Inc. has assembled a Strategic Group of highly skilled, experienced experts representing **FORTY FIVE (45) Courtroom Disciplines**. The responsibility and accountability you need, at one central location for extensive, reliable Expert Witness Testimony to develop successful outcomes, from simple to complex.

Our Strategic Group is a "must-have" resource, spanning the body of Forensic & Scientific knowledge from A to Z. Whether your need is for a Motor Vehicle Accident Reconstruction or a DNA Analysis, we're at your service. Questioned Document Analysis or Hand-Writing Analysis, we're here. From Computer Forensics & Electronic Discovery to Polygraph, Statement Analysis and Forensic Engineering for Structural Failures, we remain as available as your on-line connection or a telephone call away. No Cost consultations with an Accredited, Legal Investigator are accomplished as a matter of routine. **Our Strategic Partners are some of the finest, most qualified experts in the nation.**

Our Strategic Group:

- Is fully Licensed, Bonded and Insured
- Has National & International Capabilities in many Disciplines
- We do not Sub-Contract nor do we work for Members of the Public
- We do require Retainers Prior to an Authorized Undertaking
